This Sporting Life Robert Colls 2020-08-28 Why did killing a fox mean liberty? What did parish revels have to do with the Peterloo Massacre? What did animal cruelty have to do with the English constitution? What did the Factory Acts mean for modern football? In *This Sporting Life*, Robert Colls explains sport as one of England's great civil cultures. The lived experiences of people from all walks of life are reclaimed to tell England's history through its great sporting cultures, from the horseback pursuits of the wealthy and politically connected, to the street games in working-class neighbourhoods which needed nothing but a ball. It observes people at play, describes how they felt and thought, carries the reader along to a match or a hunt or a fight, draws out the sounds and smells of humans and animals, showing that sport has been as important in defining British culture as gender, politics, education, class, and religion.

Literature for Young Adults Joan L. Knickerbocker 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives, and the books discussed throughout *Literature for Young Adults* have the potential to make that connection and motivate them to read. It explores a great variety of works, genres, and formats, but it places special emphasis on contemporary works whose nontraditional themes, protagonists, and literary conventions make them well suited to young adult readers. It also looks at the ways in which contemporary readers access and share the works they're reading, and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs. In addition to traditional genre chapters, *Literature for Young Adults* includes chapters on literary nonfiction; poetry, short stories, and drama; cover art, picture books, illustrated literature, and graphic novels; and film. It recognizes that, while films can be used to complement print literature, they are also a literacy format in their own right—and one that young adults are particularly familiar and comfortable with. The book's discussion of literary language—including traditional elements as well as metafictional terms—enables readers to share in a literary conversation with their students (and others) when communicating about books. It will help readers teach young adults the language they need to articulate their responses to the books they are reading.

Glencoe Literature The Readers Choice, Course 5, Grade 10 Galloway 2000-06

Girl Scout Collectors' Guide Mary Degenhardt 2005 A welcome new edition of a standard—unavailable for nearly a decade! In more than nine decades of Girl Scouting, a vast popular and material culture has given rise to a wealth of Girl Scout history collections. More than an identification guide to uniforms, insignia, and other Girl Scout objects, this work also documents when changes occurred and why new items were introduced. Placing these objects in context, this essential guide provides a discerning look at the history and development of the Girl Scout Movement in the United States. Scholars and aficionados of Girl Scout history, costume history, women's studies, popular culture, and dress will welcome this indispensable and definitive resource. This new, expanded edition, with hundreds of illustrations, photographs, and tables, is indisputably the go-to source for information on all Girl Scout uniforms, insignia, awards, and handbooks, as well as dolls, postcards, posters, calendars, and more—from the founding of the Girl Scouts in 1912 through the present day. "An invaluable resource to Girl Scout councils managing a history collection. And, beyond that . . . an informative and intriguing glimpse . . . into the evolution of a Movement that . . . today is the world's preeminent organization dedicated solely to girls." —Cynthia B. Thompson, chair, National Board of Directors, and Kathy Cloninger, national chief executive officer, GSUSA "An indispensable reference for collectors; a fascinating resource for anyone interested in Girl Scouting, this comprehensive guide to Girl Scout memorabilia is firmly grounded in the history of the Girl Scouts of the United States. Mary Degenhardt and Judith Kirsch show us what Girl Scouts wore and read, and explain how changes in uniforms, insignia, and publications reflect the evolution of Girl Scout programs and the expansion of opportunities for American girls. Reading this book is like walking through a fine museum where material culture brings the past to life." —Anastasia Sims, author of *Negotiating Boundaries of Southern Womanhood*

We pride ourselves on our accurate, honest and informed travel guides.

Begin met het waarom Simon Sinek 2012-03-08 Simon Sinek laat in 'Begin met het Waarom' zien dat organisaties en leiders die zich richten op het Waarom van hun bedrijf succesvoller, invloedrijker en innovatiever zijn. Leiderschapstijlen kunnen verschillen, maar alle grote, inspirerende leiders hebben één ding met elkaar gemeen: ze weten dondersgoed waarom ze doen wat ze doen. Toch sneeuwt bij veel bedrijven het Waarom nogal eens onder in de hectiek van de dag. 'Begin met het Waarom' helpt je om het Waarom weer centraal te stellen en zo beter en authentieker leiding te geven en je omgeving te inspireren. Met vele voorbeelden uit de praktijk toont Sinek aan dat het werkt. Dit boek is gebaseerd op de ideeën uit zijn TEDX-talk over leiderschap, waarmee hij wereldwijd de aandacht trok.

De lange weg naar de vrijheid Nelson Mandela 2017-10-21 De lange weg naar de vrijheid is de beroemde autobiografie van een van de grootste mannen van de twintigste eeuw. Nelson Mandela beschrijft de lange weg die hij heeft moeten afleggen van onwetende jongen tot charismatisch staatsman. Dit is het verhaal van misschien wel de wonderbaarlijkste omwenteling in de geschiedenis, verteld door de man die het allemaal heeft meegemaakt en in gang gezet. Het verhaal van Mandela, door Mandela.

Het achterhuis Anne Frank 2009-10-31 Anne Frank hield van 12 juni 1942 tot 1 augustus 1944 een dagboek bij. Zij schreef haar brieven alleen voor zichzelf, tot ze in de lente van 1944 op radio Oranje de minister van Onderwijs, Kunsten en Wetenschappen in ballingschap, Bolkestein, hoorde spreken. Hij zei dat na de oorlog alle getuigenissen van het lijden van het Nederlandse volk onder de Duitse bezetting verzameld en openbaar moesten worden gemaakt. Als voorbeeld noemde hij onder andere dagboeken. Onder de indruk van deze redevoering besloot Anne Frank na de oorlog een boek te publiceren. Haar dagboek zou daarvoor als basis dienen. In maart 1945 stierf Anne Frank op vijftienjarige leeftijd in het concentratiekamp Bergen-Belsen. De enige overlevende van de familie, Otto Frank, zorgde ervoor dat het dagboek van zijn dochter toch gepubliceerd werd. In 1947 verscheen Het Achterhuis. Het is sindsdien een van de meest gelezen boeken ter wereld. Het is in meer dan dertig landen verschenen en er zijn meer dan zestien miljoen exemplaren van verkocht. "Eén enkele Anne Frank ontroert ons meer dan de ontelbaren die net zo leden als zij, maar wier beeld in de schaduw is gebleven. Misschien moet dat ook zo zijn: als we het leed van alle mensen moesten en konden meelijden, zouden we niet kunnen leven." Primo Levi
