Sociology of Organizations Mary Godwyn 2011-06-28 Sociology of Organizations: Structures and Relationships is a timely and unique collection of both classic and contemporary studies of organizations. Designed around competing theoretical frameworks, this cutting-edge book examines organizations with attention to structure and objectives, interactions among members and among organizations, the relationship between the organization and its environment and the social significance or social meaning of the organization. This volume sheds light on some of the most interesting changes and challenges facing organizations today: the integration of new media, the implementation of diversity and inclusion, and the promotion of sustainable workforce engagement. Lively and provocative, this textbook is theoretically rigorous, disciplinarily informed and representative of heterogeneity within organization studies.

Handbook of Police Psychology Jack Kitaeff 2011-03-17 The Handbook of Police Psychology represents the contributions of over thirty police psychologists, all experts in their field, on the core subject matters of police psychology. Police psychology is broadly defined as the application of psychological principles and methods to law enforcement. This growing area includes topics such as screening and hiring of police officers; conducting screening for special squads (e.g., SWAT); fitness-for-duty evaluations; investigations, hostage negotiations; training and consultation, and stress counseling, among others. The book examines the beginnings of police psychology and early influences on the profession such as experimental investigations of psychological testing on police attitude and performance. Influential figures in the field of police psychology are discussed, including the nation's first full-time police psychologist who served on the Los Angeles Police Department, and the first full-time police officer to earn a doctorate in psychology while still in uniform with the New York Police Department.

Federal Law Enforcement Agencies in America Nancy E. Marion 2015-01-28 Federal Law Enforcement Agencies in America

Civil Liability in Criminal Justice Darrell L. Ross 2014-09-19 Understanding case law in high-liability areas and performing the job within a legal framework places a criminal justice agency in the best position to defend against a lawsuit. This handbook addresses the problems confronting criminal justice practitioners and their agencies due to the ever-increasing number of civil liability lawsuits. It introduces the reader to civil liability generally and the federal law specifically, while indicating the steps that can be taken to minimize the risk of litigation. Civil Liability in Criminal Justice is one of very few texts on the subject that combines applicable case law and related liability research, a valuable feature for current and future policy makers and managers. Ross also provides an overview of current case law in high-liability areas, enhancing student knowledge and practitioner job performance.
